MY FUNERAL WISHES

Listed below are my wishes for my funeral to be carried out by Oliver J. Knapman Funeral Service.

FUNERAL WISHES FOR

PRE-PAID FUNERAL PLAN

Do you have a pre-paid funeral plan in place? If the answer is yes please give details of who the plan is with and where the paperwork can be located.

EMBALMING

What are your feelings towards being embalmed? There are only a few situations where embalming is required and it is not generally needed.

BURIAL OR CREMATION

Would you prefer to be buried or cremated?

WOULD YOU PREFER A DIRECT CREMATION OR BURIAL

You may prefer not to have an actual funeral service. Direct Cremation or Burial means the disposal of the body is separated from the funeral or memorial service. Family and friends are not permitted to attend the burial or cremation and many choose to have a memorial service when the ashes are returned or a separate memorial if burial is chosen.

DO YOU OWN OR HAVE A RESERVED BURIAL PLOT?

If yes, please give details below. If no, please put details of your preferred burial location e.g. plot number and/or section.

COFFIN CHOICE

Do you have a preferred coffin style? Please note some coffin choices may not be allowed dependent on your choices, for example natural burial grounds.

Where would you like your funeral service to take place? Would you prefer a church service prior to being taken to the crematorium or cemetery? Is there another venue you would prefer the service to take place at?
